SATURDAY 1 NOV 2011  
AURORA'S STUDENTS SHINE AT THE AWARDS**

Since the inception of the Imperial Classical Ballet Awards in England 20 years ago, this is the first time that this prestigious event is held in Asia. This is a major milestone for Asian dance students to be able to compete in a "world-class" competition judged by International ISTD faculty. This event will be held annually in Kuala Lumpur.

This year, we had 31 dancers from Asia. Aurora School of Dance is very proud to announce that our dancers won 5 out of a total 6 events and 3 challenge cups for musically and Port de Bras. Congratulations to our dancers!
