

NASI LEMAK KOPI O - TV9

JUNIOR STUDENTS DANCE LIVE
ON MORNING TALK SHOW

Our talented junior dancers were given only 7 days to prepare and rehearse a newly choreographed classical piece by Principal Suraya Kamil and 6 short variations Media Prima's TV morning talk show, *Nasi Lemak Kopi O*. Together with Teacher Jin Li, they were at the Media Prima broadcasting station in Bandar Utama, by 7 am on Friday 11 November 2011 for make up and warm up. The 15 minute segment, 'AKSI' touched on children and the benefits of learning classical ballet. Teacher Jin Li and Nur Erissya Azwan were interviewed in their capacity as dance teacher and student. The selected dancers are very poised and confident individuals who love and work very hard at their dancing. The seven ballerinas aged between 10 and 11 featured on the show, are Farah Sofea, Erica, Emilee, Cheryl, Iryssa, Lea and Nur Erissya. Aurora would like to thank Mdm Roslina Ahmad, mum of Farah who helped with the girls' make up and hair styling.
